#### Notes for beginners

For the first class please bring pencil, ruler, eraser and a small pack of colouring pencils. Please bring any fabric that you feel is suitable but do not go and buy any more until after the first class. I usually suggest that beginners start by making a sampler quilt. This means making a number of patchwork squares (blocks), trying out different patterns and techniques and then putting them together to form a quilt. They can be made into cushions or bags if you prefer. In the meantime have a think about what colours you would like to use.

#### Notes for regulars

I thought that this term we would make the lilac bag details, including a photograph and needs list, which are under 2011 Workshop on the website.
